Lizz Winstead, Founder of Lady Parts Justice League, and co-creator and head writer of The Daily Show.

Lady Parts Justice League

Featuring Lizz Winstead, co-creator and head writer of The Daily Show.

Ending the Stigma of Abortion

Thursday, January 24, 2019

12:00 noon – 2:00 pm

(snow date: Thursday, January 31, 2019)

Congregation B'nai Jeshurun
Short Hills

Fighting for reproductive rights is no laughing matter.

But the Lady Parts Justice League, a team of comedians, writers and producers, uses humor in their efforts to protect reproductive rights.

This program will include a light-hearted way to push through the discomfort surrounding abortion and have a *real* conversation.

A panel discussion moderated by Lizz Winstead and featuring a reproductive rights activist and an abortion provider, will follow.

****Lady Parts Justice League may use strong language in their program.***
