SPECIALS SERVICES

“Rabbi Eliezer says: Let other people’s dignity be as precious to you as your own”.

Pirkei Avot 2:15

The special services program of The Temple B'nai Abraham JLP, is a warm, nurturing Jewish learning environment dedicated to children with learning and physical differences in grades K-6, with consideration given to the Bar and Bat Mitzvah process. Each child is encouraged to maximize his or her learning potential and is instilled with a lifelong love of Judaism. The children learn about Jewish holidays, Israel, and the Hebrew language in a fun and creative atmosphere. Some children benefit from a self-contained classroom, while others are partially or completely mainstreamed with support. Their needs are varied, but we are committed to engage every child and help them to live a meaningful Jewish life. Programming specifically designed to benefit your child will be developed with your participation and using your child's IEP to facilitate and build on successful secular experiences. Flexibility is built into the program to allow for changing needs and abilities. Our professionals carefully and lovingly work with each child to his or her ability. If you feel your child might benefit from special services, please do not hesitate to contact the Director, Melissa Weiner at 973-994-3950 or mweiner@tbanj.org.

RISHON

Each school year will have a special visitor, a youth emissary from Israel. The Rishon will be spending many quality hours engaging our students in topics about Israel. Every grade will have a chance to meet with the Rishon monthly, and some grades will reap the benefits of weekly visits. The Rishon serves as a living bridge to Eretz Yisrael. Interested in hosting a rishon in your home? Contact Morah Melissa!

Club TBA

(2 times a month) Mondays & Tuesdays, after JLP

The formal educational program of our JLP is supplemented by students' involvement in Club TBA, a Junior Youth Group, for 3rd through 6th graders. The programs are an enjoyable social way for kids to have fun while socializing, eating and participating in games and activities with their JLP friends.

Color Wars and Special Events

The JLP staff prides itself in wonderful experiential educational opportunities. Whether a Pesach Escape Room, or Tu B'Shevat Worm Races, to yearly color wars, we strive to make Judaic learning accessible and fun. Hey we've even capitalized on Mannequin challenges and fidget fascinations!
