

Dear Friends,

We hope this finds you and your family safe and healthy.

The reality of the pandemic hit Temple B'nai Abraham hard and early with the loss of our friend, fellow congregant, and Temple President Dr. Bruce H. Greene z"l to COVID-19 last April. Bruce's yahrzeit falls during the week of April 5, and, as is customary, his name was read at services during the preceding Shabbat. We would now like to offer the community an opportunity to remember and pay tribute to Bruce with a virtual tribute journal on the occasion of his yahrzeit.

The virtual tribute will be hosted on the same platform as the journal we created in Rabbi Dantowitz's honor last spring. It will allow us to see the journal growing in real time, as we all submit our thoughts and tributes to Bruce. The site will also host photos, as well as tribute letters from the clergy, past and present, and other key TBA staff and lay leaders who worked closely with Bruce.

Temple B'nai Abraham was a cherished institution to Bruce, as it continues to be for Susan, Mark, and so many of us. Let's come together, at least virtually, to remember Bruce on the occasion of his yahrzeit and support the institution he loved.

To submit your tribute to Bruce and for available opportunities to support TBA, please go to www.tbanj.org and follow the instructions. If you require assistance with placing your ad, please contact Laura Wold (lwold@tbanj.org or 973-994-2290 ext. 216).

Thank you in advance for your messages of tribute and generous support. They will be appreciated and cherished by both Bruce's family and your fellow congregants.

Reopening Plan

Dear TBA Members,

With approval from our Reopening Task Force, which includes several medical experts, and in full compliance with the CDC and other COVID-19 protocols, we are pleased to announce that in-person services will begin with Kabbalat Shabbat services on Friday, March 26 at 6:30 PM, Shabbat Shacharit morning services on Saturday, March 27 at 10:00 AM, and first day of Pesach festival services on Sunday, March 28 at 10:00 AM.

For Kabbalat Shabbat, we are hoping for good weather so that services can be outside on the patio. At this time, Friday night attendance will be limited to sixty congregants. You will be able to register to attend using SignUpGenius links (see below). COVID-19 protocol paperwork (health form, waiver) will be sent ahead of time, and all COVID-19 procedures will be followed on-site such as temperature checks, masks, and social distancing. Registering through the SignUpGenius will fast-track entry into the synagogue. Paper registration will also be available at the door prior to the service. If there is inclement weather, we will move services inside.

Morning services will be in-person in the Ross Sanctuary, limited to sixty congregants when there is no b'nai mitzvah, or thirty congregants with a b'nai mitzvah service (where there may be twenty-five to fifty additional guests from the b'nai mitzvah families).

On weekends where there are Mincha b'nai mitzvah on Saturdays at 5 pm, the same parameters apply, with thirty congregants welcome.

Services will continue to be offered via [LiveControl](#) and [Facebook](#). All siddurim (prayerbooks) and Torah texts will continue to be available online as PDF files. Hard-copy siddurim and chumashim will be available at the Temple.

Ushering

As we begin to reopen the synagogue for services, we will need ushers to help us with socially-distanced seating, distribution of siddurim, and decorum. Although we will have a small number of people attending, we want to make sure that we are able to provide a safe environment and follow all the COVID-19 protocols from the CDC and our Reopening Task Force medical advisory team.

Ushering Requirements

- You have been fully vaccinated for COVID-19.
- You are past your two-week waiting period following your last vaccination.
- You feel comfortable being in the Gittlin Chapel, outside on the patio, or in the Ross Sanctuary during a service and interacting with other masked congregants who may or may not be vaccinated.

If so, please reach out to Debbie Meron (dmeron@tbaj.org) for available dates to sign up as an usher. For most services we are in need of two ushers.

Please note

- We will not be having bimah guests at this point in time.
- The only people ascending the bimah will be the b'nai mitzvah and those with alyot who meet our testing/vaccination criteria. More information can be found here: <https://tbaj.org/wp-content/uploads/2016/08/TBA-BM-COVID-guidelines-as-of-Jan-27-2021.pdf>
- We are also offering our Shabbat siddur, Siddur Hadash, via a QR code to be found in the lobby and via weekly emails.

We greatly appreciate your participation and help with this important mitzvah.

We look forward to being able to worship in-person with you again soon.

TBA BOOK GROUP WITH RABBI VAISBERG VIA ZOOM

Book Selections Wednesdays, 7:30 PM with Rabbi Vaisberg, via Zoom

May 12 – *Dangerous Religious Ideas: the Deep Roots of Self-Critical Faith in Judaism, Christianity, and Islam* by Rachel Mikva. The author will be speaking at Book Group.

Summary: Reveals how faith traditions have always passed down tools for self-examination and debate, because all religious ideas—not just extremist ones—can cause harm, even as they also embody important moral teachings. Scripture’s abiding relevance can inspire great goodness, such as welcoming the stranger and extending compassion for the poor. But its authority has also been wielded to defend slavery, marginalize LGBTQ individuals, ignore science, and justify violence. Grounded in close readings of scripture and tradition in Christianity, Islam, and Judaism, religious scholar Rachel Mikva shows us that the Abrahamic religions have always been aware of their tremendous power both to harm and to heal. And so they have transmitted their sacred stories along with built-in tools—interpretive traditions—to do the necessary work of taking on dangerous religious ideas and fostering self-critical faith. *Dangerous Religious Ideas* reframes the way we talk about faith to create a space where public discussion of religion is more constructive, nuanced, and

socially engaged.

Author: Rachel S. Mikva serves as the Rabbi Herman E. Schaalman Chair in Jewish Studies and the Senior Faculty Fellow of the InterReligious Institute at Chicago Theological Seminary. Rabbi Mikva went to teach and earn her PhD at Jewish Theological Seminary, focusing on rabbinic literature and the history of biblical interpretation. Her courses and research address a range of Jewish and comparative studies, with a special interest in the intersections of scripture, culture, and ethics.

June 9 – *Beyond the Ghetto Gates* by Michelle Cameron

Summary: When French troops occupy the Italian port city of Ancona, freeing the city’s Jews from their repressive ghetto, it unleashes a whirlwind of progressivism and brutal backlash as two very different cultures collide. Mirelle, a young Jewish maiden, must choose between her duty—an arranged marriage to a wealthy Jewish merchant—and her love for a dashing French Catholic soldier. Meanwhile, Francesca, a devout Catholic, must decide if she will honor her marriage vows to an abusive and murderous husband when he entmeshes their family in the theft of a miracle portrait of the Madonna.

Set during the turbulent days of Napoleon Bonaparte’s Italian campaign (1796–97), *Beyond the Ghetto Gates* is both a cautionary tale for our present moment, with its rising tide of anti-Semitism, and a story of hope—a reminder of a time in history when men and women of conflicting faiths were able to reconcile their prejudices in the face of a rapidly changing world.

Author: Michelle Cameron is a director of the Writers Circle, an NJ-based organization that offers creative writing programs to kids and adults, and the author of works of historical fiction and poetry: *The Fruit of Her Hands: The Story of Shira of Ashkenaz* (Pocket, 2009), *In the Shadow of the Globe* (Lit Pot Press, 2003). She lived in Israel for fifteen years (including three weeks in a bomb shelter during the Yom Kippur War) and served as an officer in the Israeli army teaching air force cadets technical English.

The 2,000 Year Old Shabbos: A Closer Look at Mishnah Shabbat, via Zoom

with Max Edwards, Rabbinical Assistant

Cooking? Carrying? Working? Where do all of these rules come from, and why? Join us as we explore how our Sages in the Mishnah (~200 C.E.) took a unique custom like the biblical Shabbat and built it into the spiritual, all-encompassing experience that is our current practice. We will take a close look at Mishnah Shabbat as we ponder what the Rabbis had in mind for this foundational experience, exploring how we ourselves might continue to make meaning from our inherited tradition. No experience with text necessary and all material will be offered in translation!

The Hebrew Bible, Line by Line with Rabbi Vaisberg and Max Edwards

The Hebrew Bible is more than just our sacred text— it is the foundational document of Western Civilization and a source of meaning for so many. We will explore and discover the Hebrew Bible in its entirety, starting from the first line of Genesis and working our way, for as long as we need to, until the end of 2 Chronicles. We will use parallel English and Hebrew texts and bring in commentaries ancient and contemporary to enhance our explorations. All are welcome.

The course will be team-taught by TBA's clergy. If you are considering converting, in addition to registering, please be in touch with Rabbi Vaisberg.

Parashat HaShavua

Join the lively discussion of legend and lore, the ancient world and the modern one, the Jewish people's feelings about its God, and God's feelings about His people. Through our reading of the weekly portion, and occasional forays into the traditional commentators, we seek not only to understand the profundities of Torah, but also to understand the world and ourselves a little better. Parallel English/Hebrew texts will be used.

Mitzvah of the Month

The Temple B'nai Abraham Social Action Committee continues the spirit of Mitzvah Day/Week throughout the year with a *Mitzvah of the Month*. Each month, congregant families will have an opportunity to help families and individuals in Essex County who find themselves in need during the pandemic.

APRIL 2021: PRODUCE FOR POSITIVITY

April's Mitzvah of the Month is Produce for Positivity. To fulfill this Mitzvah, we are asking Temple B'nai Abraham's congregants to contribute fresh produce—specifically, potatoes, carrots, onions, oranges, and apples—all pre-bagged by the supermarket.

When people who are food insecure receive items from food pantries, they usually get packaged food in boxes and cans. Rarely do they receive fresh vegetables and fruits so necessary for nutrition. This is especially important for young people, who are still growing and need nutrients to remain intellectually sharp and physically active.

For this Mitzvah, the Social Action Committee (SAC) is partnering with the Teen Tikkun Olam (TTO) group and the Jewish Learning Program (JLP) to collect this much-needed food. Registration is required so we will know how much produce to expect and plan transport the food to those in need accordingly. Please email either Ruth Ross or Janet Penn to register your participation.

Drop off at the Temple Tuesday, April 27–Thursday, April 29, 9:00 AM–3:30 PM.

Livingston Neighbors Helping Neighbors (LNHN) will pick up produce from the Temple and deliver it to needy neighbors in Livingston and Newark.

No one is lonely when doing a mitzvah, for a mitzvah is where God and man meet. —Rabbi Abraham J. Heschel

May Mitzvah of the Month involved a collection of the following: warm hats for adults, teens and children, scarves, mittens, and gloves .

Many, many bags were filled with much needed hats, scarves, gloves, and mittens for our neighbors in need. Nick Santinelli from Livingston Neighbors Helping Neighbors (LNHN) came to TBA to collect the generously donated items.

For the June Mitzvah of the Month, the Social Action Committee asked TBA congregant families to contribute a pan of **meatless baked ziti** to ease the food insecurity faced by our Essex County neighbors.

Livingston Neighbors Helping Neighbors (LNHN) picked up the ziti meals from the Temple and delivered them to needy neighbors in Livingston and Newark.
